When Jimmy Simpson, founder of Num-Ti-Jah Lodge, first came upon Bow Lake in 1898 he described it as one of the most beautiful places he'd ever seen. For more than a century thousands of guests, visitors and artists have agreed with his words.

Num-Ti-Jah Lodge overlooks one of the most dramatic scenes in the Canadian Rockies. Out of Bow Lake the mountains rise, steep and rugged. The blue ice of Crowfoot Glacier hangs suspended over the turquoise waters. To the west, the craggy peaks of the Continental Divide tower over the immense Bow Glacier.

A legend of Canadian Rocky Mountain hospitality awaits you, in an atmosphere of secluded tranquility on the shores of beautiful Bow Lake near Lake Louise, Alberta. Steeped in heritage, our majestic log lodge invites those seeking an extraordinary alpine wedding experience.

We are delighted that you have considered us to host your special day. Our Wedding Information Booklet will provide you with all the information you need to plan a Rocky Mountain wedding at Num-Ti-Jah Lodge.

Included you will find a description of our floor layouts, accommodation, room rates, our dining room facility, a list of local wedding suppliers and the terms and conditions associated with having a wedding at Num-Ti-Jah Lodge. Sample menus and wine lists are available on request as most menus are created to suit each wedding's individual needs.

Guest Accommodations

Our beautiful log and stone Lodge has 16 guest rooms that can accommodate up to 45 guests comfortably. We offer a variety of occupancy options including a choice between a Lake View and Mountain View room. Each room offers its own unique charm. For the Bride and Groom, we recommend either Room 8 or 24.

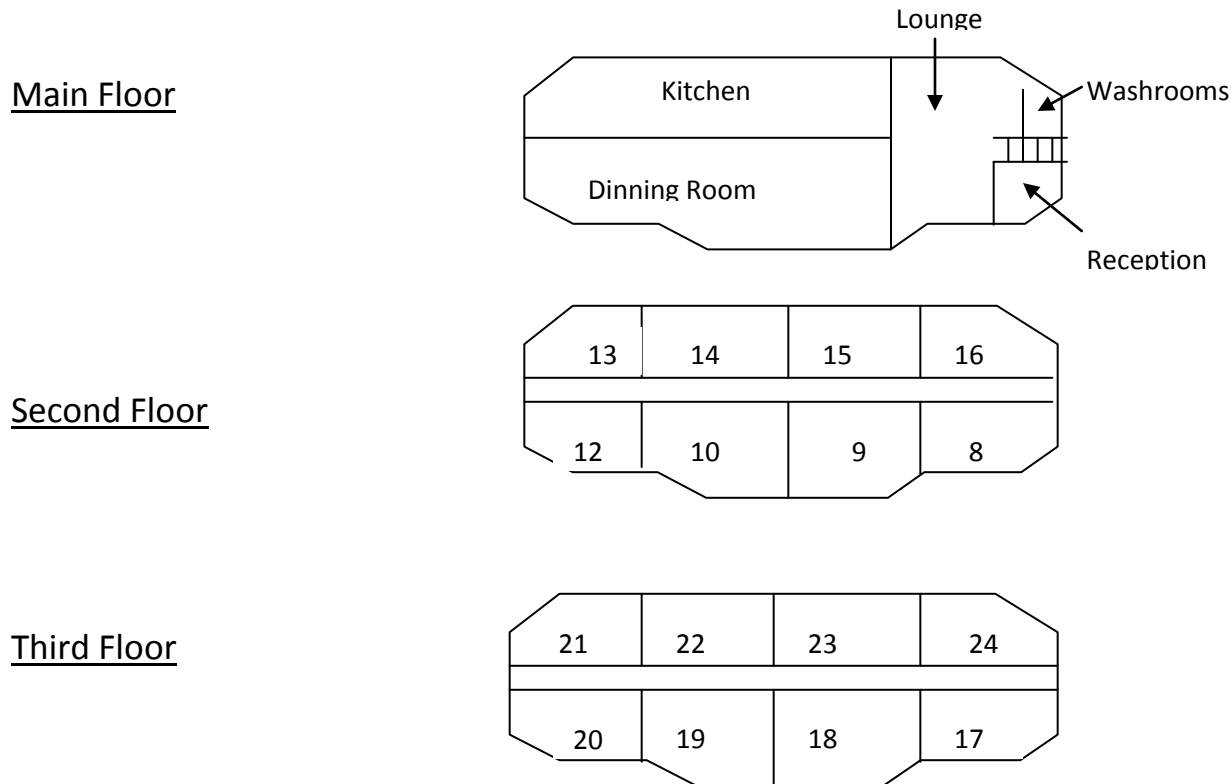

On page 4 and 5 you can see a list of our rooms and their descriptions, so you can create your own rooming assignments.

In order to provide you with the highest level of service we require that the Lodge is reserved exclusively for your wedding. This way we can close off the lodge and dining room to all other potential guests and focus on making your special day truly memorable. All rooms on the day of your wedding will be blocked off and allocated to your guests. The costs for any rooms not occupied or being paid for by a wedding guest will remain the responsibility of the Bride and Groom.

Building Layout

The main floor of Num-Ti-Jah Lodge consists of the dining room and the lounge area. Guest accommodation at the lodge is located on the levels above the main floor.

****When creating your rooming list for your wedding please keep in mind that the lodge does not have an elevator to reach the upper levels. If you have anyone with increased accessibility needs you may want to assign them a room on the second floor ****

Elkhorn Dining Room

The Elkhorn Dining Room provides an excellent setting for your reception. The room offers a warm, relaxed, friendly atmosphere in a uniquely Canadian Rockies setting complimented by many heritage regional animal mounts and a warm fire in the large stone fireplace. This room is easily decorated and set-up to fit the atmosphere of your wedding, whether you are aiming for extremely elegant or a more casual family gathering.

Menus are generally created to suit you. If you have some ideas as to the menu you desire, our chef is ready to create a full menu for your wedding reception specific to the needs of you and your guests. If you would like some ideas, please ask about our sample menus. These menus, along with suggestions from our chef, are sure to get your mouth watering and offer a great starting point for creating your own wedding menu. Remember to keep any children who may be coming to your wedding in mind. Typically a separate menu would be created for them with more kid-friendly food items.

In the past we have worked with menus set-up for buffets and three or four course meals. All wedding meal plans include a cocktail reception with appetizers in the Nashan Lounge followed by your formal dinner reception in the Elkhorn dining room as well as breakfast the following morning. Meal plans start at \$110/person. The dining room can accommodate a maximum of 70 guests for dinner service.

Exact numbers of guests (adults and children) for the wedding meals will be required no later than 3 weeks before your arrival at the lodge. Along with this, please make sure to inform us of any food allergy concerns that you are aware of.
